## Self Measurement Chart for Legs

### Lymphoedema Service Arthur Rank Hospice Specialist Palliative Care

**Publication Date November 2016      Reviewed May 2020  
Next Review May 2023**

The measurements of your leg(s) are now remaining steady and so the provision of your compression hosiery, that is available on prescription, is being transferred to your GP via *Patient Choice*. Compression hosiery should be renewed every six months and it is important that you measure your leg(s) prior to your prescription request. See overleaf for how to measure.

Hosiery type: .....

PIP (Pharmacy) code: .....

**Contact the Lymphoedema Service on 01223 675 765:**

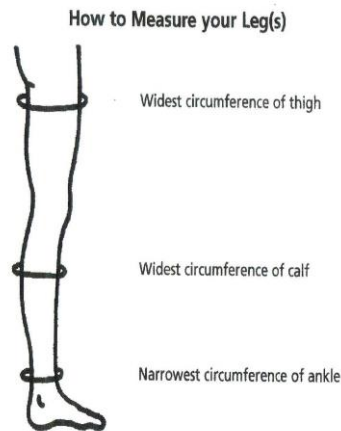

- If your measurements are outside the limits given.
- If you have any concerns or queries regarding your lymphoedema.

Contact *Patient Choice* on 0800 862 0686:

- For repeat prescriptions.

Contact your GP:

- If your foot/leg become red/ hot/increasingly swollen and you feel unwell (as this may be a sign of cellulitis).

For specific leg exercises for lymphoedema, please see the Arthur Rank Hospice Charity website Lymphoedema page [www.arhc.org.uk](http://www.arhc.org.uk)
