

**TO BOOK, SCAN THE QR CODE**

**Bespoke Training**

We deliver bespoke end of life care training to meet the specific needs of your team, including advance care planning, symptom management and communication skills. Please contact [education@arhc.org.uk](mailto:education@arhc.org.uk) to discuss commissioned training for your team.

**Library and Information Services**

We have a specialist library service with an extensive collection of books, journals, and online resources on all aspects of palliative and end of life care for evidence-based patient care, continuing professional development, education and research.

**MSc/BSc Accredited Module**

Arthur Rank Hospice and Anglia Ruskin University offer a MSc/BSc accredited module **Palliative and End of Life Care: Management of Symptoms in Advanced Disease**. Visit [arhc.org.uk](http://arhc.org.uk) for more information.

# Palliative Care Courses

Arthur Rank Hospice Charity

Welcome to our education programme. We provide training that promotes patient centred care, aimed at health and social care professionals who are supporting patients and loved ones with life-limiting conditions and caring for those at end of life. **For more information and to book visit our website [arhc.org.uk](http://arhc.org.uk)**
