

Guidance for Larger Donations

If you are considering making a donation of **£500 or more**, please keep the following information in mind.

Our online donation platform, Enthuse, applies **standard processing fees** (at the time of writing these are £34.80 for a £500 donation). When donating online, you will be given the option to cover these processing fees for the charity. If you would prefer not to cover these processing fees, please **untick the box** during the donation process, before completing your payment.
